

# Natan Stalder

---

## About.

I was born at december 9th 2003 and I live in Ticino, Switzerland.  
I'm actually an interactive media designer that produces interactive digital media such as websites applications and also images and videos...  
After 2 years I was in that school, I started to be much more intrested in video and photography and everything that belongs to communicating with an image.

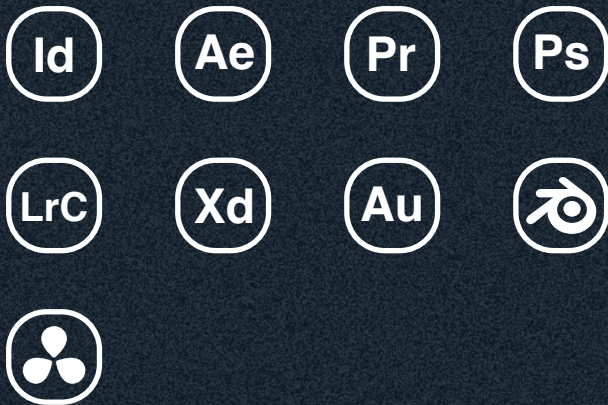

---

## Education.

I studied for 4 years in lugano at the  
"centro scolastico indusrtie artistiche"  
(CSIA), as Interactive media designer.

---

## Technical skills.

## Language skills.

### Mother lagnuage:

Italian  
German

### School:

English

## Personal skills.

Self-discipline  
Teamwork  
Willingness to learn

---

## Working Expireience.

During the last year of school at CSIA,  
I've worked for One-take.fm as a video  
editor and photographer.  
Afterwards I started working freelance  
as a videomaker and photographer.  
Mostly I shooted and directed music  
videos of artists all over my town.
